a Series III Land Rover.

It's hard to believe, but the W129-series Mercedes-Benz SL was launched over 20 years ago. However, its timeless styling has kept it fresh and attractive in the eyes of a new generation of enthusiasts, as well as those returning to the car having owned one when they were still in the dealerships. A combination of superb original design and peerless engineering and build quality adds to the desirability of this series of classic German machines, and has ensured that many of these cars can still be seen in regular use today. Covering the SL's ever-changing specification, and its presence in many of the world's major markets is a huge task, but it's all presented here in definitive detail, along with stunning contemporary photography, in a volume that will readily grace any
