The travel journal features: Easy prompts pages including: “What I Did Today”, “Highlight of the Day” Lined pages for those who want to make their own notes or sketch Travel snapshot pages for pictures, stickers, tickets, and more With plenty of writing and drawing space, this journal makes a perfect gift as a keepsake journal for kids or adults that will sure help them remember every awesome and precious moment of their trip.

Because the journey is every bit as important as the destination.Chronicling your trip, from the moment you decided to buy those air tickets to when you set foot on your door back home, is what makes those getaways twice as fun - and memorable. And even though you can always use apps in your phone or tablet to track the details of your travel, there’s still something infinitely satisfying about the act of taking out your pen and jotting down memorable quotes you heard from chatty locals, keywords that struck you in a moment of inspiration while sipping a cup of espresso, or a new foreign phrase you’ve just picked up. But in the frenzy of planning your itinerary, to last-minute packing, to hopping from one connecting flight to another, it can be hard to remember to write down those seemingly insignificant details. Thankfully, you’ve got this travel journal to help you. With 108 pages of insightful, thoughtful journaling prompts encased in an elegant glossy soft cover, this is more than just a trip diary; it’s the first-hand witness to every inch of your wanderlust fulfilled. Every sunrise and sunset you chased. Every foreign culture you soaked up. Every morsel of that exotic dish you dared to try and surprisingly liked. This travel journal is your very own tangible time capsule - a unique documentation of each trip you take. Because while travel is universal, every trip is personal.Create your own story, and experience the world through this travel journal.journaling promptsMy favorite part of the day: My Picture of the Day: What I Learned Today: Vacation Notes: Location: Where I stayed: What I feel today: Best thing I saw today: Best place I visited: Best food I ate

Use the blank pages to collect photographs, tickets, maps and memories of a trip which has just finished The notebook will become your Travel Journal for Adults, to keep the memories of your adventures. Store it on your shelf along with guides and memories from your favourite trips

The chapters of this book are nothing but mirrors for seeing your "self" from different angles. And though the journey we are about to embark on is an inner one, it will draw upon every aspect of your life. The only requirement asked of you is the willingness to honestly look at yourself in the most natural, intuitive manner. Remember, if we are seeking the root of "self," what we are actually seeking is you. As you read through these pages, you will find that you know much more than you thought you did about some very deep subjects. The fact is, you already know how to find yourself; you have just gotten distracted and disoriented. Once refocused, you will realize that you not only have the ability to find yourself, you have the ability to free yourself. Whether you choose to do so or not is entirely up to you. But upon completion of your journey through these chapters, there will be no more confusion, no more lack of empowerment, and no more blaming others. You will know exactly what must be done. And should you choose to devote yourself to the ongoing journey of self-realization, you will develop a tremendous sense of respect for who you really are. It is only then that you will come to appreciate the full depth of meaning in the advice: "This above all: to thine own self be true." ---- Introduction
