Why the Courts See Child Support and Visitation Separately . From the court's point of view, child support and child custody are two separate issues. Child support is a parent's obligation regardless of their parenting experience or ability. A child is entitled to this financial support no matter what sort of custody and/or visitation arrangements are in place.

~~Child Support, Visitation & Parental Rights~~

Start by learning about how child support is calculated, how judges make decisions about parenting time, and how to work together to do what's best for your children. For more information regarding divorce, child custody, and support, please visit Divorcenet.com.

and visitation, child support, and more. The benefits of working with a child custody mediator include an increased willingness—on the part of both parents—to follow the agreed upon arrangement and even saving money (compared to a contentious court battle).

~~Child Custody Mediation for Visitation Rights~~

Child Support may be ordered whether the parties exercise shared residential custody or primary residential custody. It is calculated through a formula created by the Kansas Supreme Court. It is based on the income of the parties, the number of children of the parties, other children that the paying party may be financially responsible for, daycare expenses, and health care expenses.

Upon request by one of the parties in a custody suit, Texas law requires the court to interview a child who is at least twelve years old about their wishes about custody. The court must still make a decision that is in the best interest of the child, but the child can at least have the opportunity to have their preference heard.

~~Custody & Visitation - Child Custody and Support - Guides ...~~

The child spends most nights with the parent with "primary custody." As the "primary custodian," you make all the decisions about how to raise your child. The other parent usually has "parenting time" (also called "visitation" in other states)—or the right to spend time with the child, including overnights.

Search & filter child contact services in your area. NACCC centres and services have an endorsed accreditation process which shows that they have agreed to work to approved national standards, ensuring that families using those services are safe and well cared for.

~~Find a Child Contact Centre - NACCC~~

In addition to custody orders, the judge will probably also make child support orders. Keep in mind that a child support order is separate from child custody and visitation, so you cannot refuse to let the other parent see the children just because he or she is not making the child support payments that the court ordered. And you cannot refuse to pay child support just because the other parent is not letting you see your children.

~~Basics of Custody & Visitation Orders - custody_famlaw ...~~

A Child Custody Agreement is used by parents to lay out the details of how they will co-parent their child or children together even though they are no longer romantically involved. The Agreement addresses issues such as physical and legal custody, visitation schedules, health insurance, college, and, if desired, child support.

~~Child Custody Agreement - Template - Word & PDF~~

States have child support guidelines to ensure that a child receives proper support, but courts sometimes can deviate from the guidelines if needed. Grandparent Visitation and Custody Although a minor's grandparent may file a petition with the court for full care and custody, courts usually prefer that children live with their parents and grant such petitions only in very limited circumstances.
