Former mortgage brokers James L. Paris and Robert G. Yetman, Jr. detail exactly how credit scores are calculated and how a consumer can quickly raise their score. Check out our YouTube video which gives an overview of what is in the book -<http://www.youtube.com/watch?v=XpUfAoads-Q>The book is based on years of working with individual clients with credit situations as difficult as recent bankruptcies, foreclosures, and even IRS tax liens. Includes letters that can be used to dispute inaccurate information from a credit bureau report. Step by step information on what you need to do if you are currently attempting to get approved for a credit card, auto loan, or mortgage. Includes sources of no qualifying credit accounts that can

be used to rebuild credit.

It is estimated that over 80 million Americans are living with poor credit, and recent studies have shown that up to 79% of all credit reports contain errors. Use this recession-proof, guerilla-repair guide to quickly and legally repair your credit and improve your scores. Don't pay credit repair companies thousands of dollars; do it yourself, and be fast on your way to owning the car or house of your dreams. ? Remove accurate negative information ? Boost your scores in as little as 72 hours ? Establish credit fast and easy ? Laws to stop creditors fast in their tracks ? Secrets the credit bureaus don't want you to know ? Remedy identity theft in 4 days ? Finally, a credit repair guide that delivers! I applied these legal-loopholes tactics and improved my credit score by over 100 points in less than 30 days! The author uses his legal background to shed light on the little-known provisions in the law, allowing you to legally and quickly repair your credit and boost your scores. Yet his simple approach and sample legal form letters make repairing credit so easy?you need only be smarter than a fifth grader to do it yourself.? ?E. Henry, Milwaukee, Wisconsin, savvy consumer

Recreditpair will show you the way toward financial freedom by providing an easy-to-use guide to improve your own credit rating. A CD inside the book contains 20 sample letters you can use to contact the credit companies and others to check and clear your credit. More than 50 billion pieces of information are added to credit reports annually - and none of it is checked for accuracy. That's why nearly 80 percent of all credit reports contain mistakes. Experts estimate that a bad credit rating can cost you up to \$300,000 over your working career. It pays to check your report, correct all mistakes, and increase your credit score! You won't need expensive credit repair companies after reading this book - everything they do you can now do yourself. If you have poor credit, this book will help you gain good credit. If you have good credit, it can help you achieve great credit.

Did you know that you could have credit scores in the low 600's even if you never missed a bill payment in your life? That's because your payment history is only 35% of your credit score. "How to Boost You Credit score 100+ Points Without Credit Repair" will show credit industry secrets for maximizing the other 65%. The best part is you will see real results in just 30 days.

Credit Repair - Special Edition - Two BooksDiscover How To DELETE All Negative Items From Your Credit Report!Real dispute letters and templates Included in this special edition of Credit Repair, created from the author's real world experience of having to fix and improve his credit report and score using whatever means necessary when it was destroyed by bad debt and student loans. Anyone can improve their credit using the Consumer Laws set up for consumers to protect against creditors and debt collection firms, including law firms.Book One: Credit Score RepairCredit Repair Is Available To Everyone - Roughly 30 percent of all Americans are dealing with a poor credit score and more are falling into the trap of bad credit on a daily basis. This book can show you how much power you really have when it comes to improving your credit report, score and financial situation in as little as a few months' time. It doesn't matter what type of debt you have accrued, the amount or how recently it has happened, there are numerous different ways of removing it from your credit report ASAP, all of which are discussed in detail inside including step by step instructions and even sample letters when applicable. You will find ways for dealing with credit card debt, late payments, liens, and judgements, even foreclosures in the quickest and most effective means possible. While creditors will lead you to believe otherwise, there are actually a wide variety of options available to those who are simply aware of their rights and are willing to fight to work out the best deals for themselves as possible, all of which are discussed in detail inside. Don't let creditors push you around or let your credit score languish below 700, be proactive, take control of your financial future today.Inside you will find-A detailed explanation of all three credit reports, their similarities and differences.-The only true way to get all three reports online.-All the laws that you need to know to protect yourself from unscrupulous creditors.-The easiest ways to boost your credit score no matter your past credit history.-A step-by-step process to removing black marks from your credit report no matter the cause.-Credit repair tips for any scenario and any amount owed.-Surefire ways to stop creditors in their tracks.-Tips for maintaining positive credit once you have restored your pristine record.-Identity theft and fraud prevention tips you haven't heard a thousand times before.-Cyber Threats And Prevention*****Book Two: Credit Repair LettersReal Life - Real World Credit Repair and Score Increase TacticsIncludes real credit letters and disputes as always. There's no need to hire attorneys or credit repair firms. All they do is send out a templated letter anyways, and creditors get those all the time...BIG DEAL. When the actual DEBTOR (You) sends a serious letter...whoa, watch out..Consumer Laws being brandished on the collector/creditor!! They don't like that and will do whatever necessary to get rid of you fast, if you reach the right person and say the right things. These proven strategies can work for anyone. This book will show you how to take action and restore or improve your credit. When doing credit repair...you want your negative information DELETED, do not settle for any other status. Let's face the facts here, without good credit you spend A LOT more money on things like mortgages, car loans, INSURANCE and cell phone plans. Even healthcare can cost a lot more. And let's not forget that nowadays employers usually will check your credit to ensure you aren't a financial risk to them. If your credit sucks, and it's a job you really want, how awful would that be if you get passed over because of your credit score or credit report?

After saving their family from bankruptcy, Scott & Alison Hilton decided they had to share their method with the world. In this all new tell-all book, you'll discover how they got themselves out of debt, and how you can use their method to finally take control of your family's finances - for good!
