Extracts from works of many English authors who have influenced the literary journey of Ruskin Bond; with short snippets of his own experiences.

'Colonel Bakshi burst in, looking very agitated. "Something's happened to Mrs Basu," he said. "She's lying outside in a flower bed. I think she's dead . . ."' In this marvellous collection of thrilling new stories set in the Mussoorie of a bygone era, Ruskin Bond recounts the deliciously sinister cases of a murdered priest, an adulterous couple, a man who is born evil, and a body in the box-bed, not to forget the strange happenings involving arsenic in the post, strychnine in the cognac, a mysterious black dog, and the Daryaganj strangler. As the elderly Miss Ripley-Bean, her Tibetan terrier, Fluff, the hotel pianist, Mr Lobo, and the owner of the Royal, Nandu, mull over these curious incidents, the reader will be enthralled and delighted-until the very end.

"I had everything I needed to run a household: a house, food, and a new family. From now on it would just be me and Sammy-the two of us, and no one else." A tragic accident has turned eleven-year-old Aubrey's world upside down. Starting a new life all alone, Aubrey has everything she thinks she needs: SpaghettiOs and Sammy, her new pet fish. She cannot talk about what happened to her. Writing letters is the only thing that feels right to Aubrey, even if no one ever reads them. With the aid of her loving grandmother and new friends, Aubrey learns that she is not alone, and gradually, she finds the words to express feelings that once seemed impossible to describe. The healing powers of friendship, love, and memory help Aubrey take her first steps toward the future. Readers will care for Aubrey from page one and will watch her grow until the very end, when she has to make one of the biggest decisions of her life. Love, Aubrey is devastating, brave, honest, funny, and hopeful, and it introduces a remarkable new writer, Suzanne LaFleur. No matter how old you are, this book is not to be missed.

Rusty is a quiet, imaginative and sensitive boy who lives with his grandparents in pre-Independence Dehra Dun. Though he is not the adventurous himself, the strangest and most extraordinary things keep happening around him. The house in Dehra is full of strange creatures. Rusty has to deal with everything from his grandfather's pet python to the ever-inventive Uncle Ken. Visiting his father in wartime Java, Rusty narrowly escapes enemy bombardment, and survives a plane crash in the Arabian Sea. Back in India, he spends his time encountering a ghost in the garden and recreating his grandmother's youthful days from an old photograph. Then, something totally unexpected happens and Rusty is forced to leave Dehra, his future uncertain ... This volume of Rusty stories, the first in a series, traces Rusty's development from early childhood to his early teens and is a riveting read for younger and older children alike.

Fangirl meets Jane Austen in this deeply heartfelt love story about hiding the worst parts of ourselves, and the people who love us anyway. "How could I open that door and let him see the messiest part of me?" From the moment she first learned to read, literary genius Darcy Wells has spent most of her time living in the worlds of her books. There, she can avoid the crushing reality of her mother's hoarding and pretend her life is simply ordinary. But then Asher Fleet, a former teen pilot with an unexpectedly shattered future, walks into the bookstore where she works...and straight into her heart. For the first time in her life, Darcy can't seem to find the right words. Fairy tales are one thing, but real love makes her want to hide behind her carefully constructed ink-and-paper wall. Still, after spending her whole life keeping people out, something about Asher makes Darcy want to open up. But securing her own happily-ever-after will mean she'll need to stop hiding and start living her own truth-even if it's messy. "A lovely tale for bookish readers that will give them all the feels."
-Kirkus

In his early twenties now, Rusty finally leaves Dehra and books a passage to England, dreaming of writing and selling his novel abroad. First in Jersey, and then in London, he works as a clerk by day and writes in the evenings. Eventually, the novel is finished and Rusty even finds a publisher. But this, he discovers, does not mean that his book will see the light of day soon. But London has many adventures in store for Rusty. Strolling down Baker Street, he runs into Sherlock Holmes, is accosted by Rudyard Kipling and has an escapade in the Chinese quarter! After three years abroad, however, Rusty realizes that he wants to make India his permanent home. Returning to Dehra, he renews some acquaintances and makes a few new ones, and settles into his role as full-time author. Full of interesting stories and memorable characters, Rusty Goes to London will delight all of Ruskin Bond's fans.

An enchanting collection of stories from the heartland of India Ruskin Bond's simple characters, living amidst the lush forests of the Himalayan foothills, are remarkable for their quiet heroism, courage and grace, and age-old values of honesty and fidelity. Residents of nondescript villages and towns, they lead lives that are touched by natural beauty as well as suffering-the loss of a loved parent, unfulfilled dreams, natural calamities, ghostly visitations, a respected teacher turned crooked, strangers who make a nuisance of themselves-which only reinforces their abiding faith in God, family and neighbour. Told in Bond's distinctive style, these stories are a magnificent evocation of an India that may be fast disappearing.
