This is not your typical non-fiction on the subject of art management, which usually talk about art business as some mysterious unicorn to which standard rules are non applicable. Magnus Resch openly and directly de-mystifies this notion and explains why art galleries should be managed as any other business enterprise if they want to succeed.

Management of Art Galleries by Magnus Resch
Magnus Resch lectures on cultural entrepreneurship at Europe's leading business school: the University of St Gallen, Switzerland. Resch studied economics at Harvard University and at the London School of Economics (LSE). Resch is the author of the previous two editions of Management of Art Galleries and the co-author of 100 Secrets of the Art ...

Art Gallery Manager: Job Description and Training Requirements
A commercial art gallery manager is responsible for the commercial and artistic success of a gallery. You'll have responsibility for the sales and marketing areas of running a commercial art gallery, and will communicate directly with artists and dealers. You'll be involved in selecting art and artists, to both enhance the gallery's reputation and bring in money from artwork sales.

Commercial art gallery manager job profile | Prospects.ac.uk
Right now the running joke in the art world is that galleries are the NEW starving artists. It is very bad out there. Technologies such as the Instagram, online galleries, screens, on demand printing, a gone-gone middle class, and free access to any thing digital has made the art gallery an expensive alternative.

Management of Art Galleries: Resch, Magnus: 9780714873268 ...
Art management (also referred to as art administration) applies business administration technics and processes to the art world. It includes running the daily business operations of art institutions either private or public. Arts Management's purpose is to reconcile both disciplines as they potentially have opposing objectives.

What is Art Management ? | IIESA International
Gallery managers' qualifications include an in-depth knowledge in at least a particular art form: photography, sculpture, paintings, contemporary art, etc. They are also expected to be knowledgeable in art history, arts management and have fundamental knowledge of marketing concepts. The position requires you to be familiar with various administrative practices: to prepare the gallery's works of art for shipping or storage; conservation; registering and storing the works of art.
