Fighting alongside the Corellian rebels, Han and Leia are locked in a war against their son Jacen, who grows more powerful and more dangerous with each passing day. Nothing can stop Jacen's determination to bring peace with a glorious Galactic Alliance victory—whatever the price. While Luke grieves the loss of his beloved wife and deals with his guilt over killing the wrong person in retaliation, Jaina, Jag, and Zekk hunt for the real assassin, unaware that the culprit commands Sith powers that can cloud their minds and misdirect their attacks—and even turn them back on themselves. As Luke and Ben Skywalker struggle to find their place among the chaos, Jacen, shunned by friends and family, launches an invasion to rescue the only person still loyal to him. But with the battle raging on, and the galaxy growing more turbulent and riotous, there's no question that it is Jacen who is most wanted: dead or alive. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

The A-904 and A-727, debuting in 1960 and 1962, respectively, are 3-speed automatic Chrysler TorqueFlite Transmissions. In Mopar circles, they have become synonymous with strength, durability, and performance. In fact, 43 years after its first application, A-904s were still found in the Jeep lineup! TorqueFlites are known for their dependability, but many have endured a tremendous amount of abuse over 50-plus years when hooked up to V-8 Mopar powerplants. There is little doubt that some of these automatics could be prone to failure, or at least need a thorough rebuild. Tom Hand shares his decades of experience rebuilding TorqueFlite transmissions with chapters dedicated to troubleshooting, disassembly and reassembly, performance modifications, post-installation procedures, and the most thorough source guide offered in print, ever. The author walks you through the TorqueFlite rebuild with color photos showcasing step-by-step procedures with highly detailed, easy-to-follow text. This book will keep money in your pocket and add experience to your resumé, but more important, it will help you get your Mopar back on the road! p.p1 (margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Arial)
