The Swing Trader's Bible provides traders with different strategies to capitalize on market fluctuations. The majority of the time, most markets move sideways, with no discernible long-term up or down trend. The key to making money in these kinds of markets is to sell when the market is near the top of its range and buy when it's near the bottom of its range. The authors explain how to use fundamental stock analysis and technical analysis to spot swing trading opportunities. They then provide very specific techniques for entering and exiting the market, including: channel analysis; momentum indicators; stock sector leaders/followers; market cycles; overbought/oversold indicators; trading volume; and money flows. The authors explain how to swing trade by taking outright positions in stocks or by using various options strategies. Most of the book is devoted to swing trading using individual stocks, but the authors also explain swing trading opportunities in stock indexes and in exchange-traded funds.

A streamlined and highly effective approach to trading without indicators Most forex traders rely on technical analysis books written for stock, futures, and option traders. However, long before computers and calculators, traders were trading naked. Naked trading is the simplest (and oldest) trading method. It's simply trading without technical indicators, and that is exactly what this book is about. Traders who use standard technical indicators focus on the indicators. Traders using naked trading techniques focus on the price chart. Naked trading is a simple and superior way to trade and is suited to those traders looking to quickly achieve expertise with a trading method. Offers a simpler way for traders to make effective decisions using the price chart Based on coauthor Walter Peters method of trading and managing money almost exclusively without indicators Coauthor Alexander Nekritin is the CEO and President of TradersChoiceFX, one of the largest Forex introducing brokers in the world Naked Forex teaches traders how to profit the
