west, where invasion from both north and south now threatens. Could the Eastern Empire still exist - and if it does, if it can be found, will it come to the aid of its long-forgotten province? In the first book of the award-winning Empire's Legacy trilogy, Leste, an island nation, grows short of food. Raiding a nearby land, rich in grain and livestock, while its army is occupied on its northern frontier, will be simple and quick. But they haven't counted on spies among them. Lena, a young fisherwoman, is inspired by her Emperor's message: to defend their land against this invasion, women must learn to fight. Answering his call separates Lena from her lover, the first sacrifice in what becomes a deadly battle for her land, not just

Lin Sukai finally sits on the throne she won at so much cost, but her struggles are only just beginning. Her people don't trust her. Her political alliances are weak. And in the north-east of the Empire, a rebel army of constructs is gathering, its leader determined to take the throne by force. Yet an even greater threat is on the horizon, for the Alanga – the powerful magicians of legend – have returned to the Empire. They claim they come in peace, and Lin will need their help in order to defeat the rebels and restore peace. But can she trust them?
