The process of "Gemara" proceeded in what were then the two major centers of Jewish scholarship, Galilee and Babylonia. Correspondingly, two bodies of analysis developed, and two works of Talmud were created. The older compilation is called the Jerusalem Talmud or the Talmud Yerushalmi. It was compiled in the 4th century in Galilee.

Introduction For centuries, the question of how Ancient Israel came to be in the land of Canaan was not much of a question at all: the historical reliability of the biblical accounts was simply assumed, and those accounts were taken at face value. More recently, and in light of modern critical scholarship and the discoveries of archaeology, the issue of Israel's emergence in Canaan has become
