Touko Laaksonen (8 May 1920 – 7 November 1991), best known by his pseudonym Tom of Finland, is often said to be the most famous Finnish artist in the world. His highly stylized homoerotic drawings had a profound influence on late twentieth century gay culture, as well as fashion and pop culture in general.

A fantastic anthology of Touko Laaksonen's (a.k.a Tom of Finland) work. The image reproduction is superb and the layout is great. It's a very large and heavy book and deserves the XXL title. It's a beautiful and interesting book and well worth it's place on any gay man's coffee table.

UNTITLED:POSTER, 1963/2015. Poster: 30 x 24" Gallery Frame: 30 x 24" Shadowbox Frame: 32 x 26" In this graphite drawing, originally published in Bob Mizer's Physique Pictorial in 1969, Tom of Finland presents us with two handsome men dressed in motorcycle garb, complete with their signature black boots. They stand in front of an enticing sign asking "Who will be Mr. Universe next year?" their gaze cast downwards, eyeing the barbells on the ground.

C'est en 1998, avec The Art of Pleasure, que TASCHEN a fait découvrir au monde l'art remarquable de Touko Laaksonen. Avant cela, Laaksonen, alias Tom of Finland, artiste culte de la communauté gay internationale, était pratiquement inconnu du grand public. En 2009, TASCHEN poursuit l'entreprise avec l'ouvrage ultime retraçant l'oeuvre de Tom, Tom of Finland XXL, une magnifique édition collector grand format réunissant plus de 1000 illustrations et couvrant soixante ans de carrière de l'artiste. Son oeuvre a été réuni avec l'aide de la Tom of Finland Foundation, à partir de collections conservées aux Etats-Unis et en Europe, et comporte de nombreux dessins, peintures et études préparatoires qui n'avaient encore jamais été publiés. D'autres n'avaient jusqu'alors été vus qu'isolément et sont montrés ici dans l'ordre séquentiel prévu par Tom, gagnant ainsi toute leur valeur artistique et leur charge érotique. Cet élégant volume grand format présente toute l'étendue du talent de Tom, de ses portraits sensibles à ses descriptions explicites du plaisir sexuel et à ses hommages pleins de tendresse rendus aux jeunes hommes emportés par le sida, et il inclut, en complément, huit essais écrits pour l'occasion par Camille Paglia, John Waters, Armistead Maupin, Todd Oltham, entre autres, qui reviennent sur l'influence sociale et personnelle de Tom, ainsi qu'une étude approfondie de ses dessins par l'historien d'art Edward Lucie-Smith. Jusqu'à maintenant, la seule chose qui manquait à Tom of Finland XXL était un prix accessible au plus grand nombre. Le nouveau Tom of Finland XXL est toujours aussi gros, fera autant travailler vos biceps et reprend tout du contenu original, mais ne coûte qu'une fraction du prix d'origine. Il vous souhaite la bienvenue.

Touko Laaksonen, better known as Tom of Finland, enjoyed an intense cult in the international gay community but was largely unknown to the broader audience. This collector's edition contains nearly 1,000 images along with essays on the artist's social impact.

All 26 episodes of the Kake comic serial have been collected in one volume—a reflection of a time when gay men were men, sex was carefree, and everyone wore a big, thick, mustache.

A spectacular book showing life and work of the Finnish icon from an unknown perspective with around 150 illustrations and well researched texts.Tom of Finland has become the most famous and influential Finnish artist of the 20th century. Born Touko Laaksonen in 1920, his iconic depiction of self-confident and life-affirming gayness gave decisive impulses to the international gay movements from the 1960s onwards. But although we clearly associate his portrayals of sensual and powerful cowboys, farm hands, soldiers and leathermen with the USA, Tom of Finland's rise to gay icon received the game-changing impetus neither in his native Finland nor in the USA. It was, of all places, the city of Hamburg and Tom's friendship with key exponents of the local gay scene in the early 1970s that helped him to his first exhibition ever.He even created a grand mural for the legendary "Tom's Bar", until today the only one legitimately named after him. Regular commissions to design posters and ads for gay events in Hamburg allowed him to launch his artistic career after quitting his day job as advertising executive, and led to the creation of the most extensive private collection of his drawings to date. Galerie Judin is now devoting an exhibition and a comprehensive publication to these seminal, but thus far little researched years, the art they generated and the friendships they formed. The book includes texts by Juerg Judin, Pay Matthis Karstens, Kati Mustola and Alice Delage, conversations with Durk Dehner and Michael P. Hartleben - and a facsimile of the artist's German travel diary from 1955.

Stand at attention with this pocket-sized army of free, proud, masculine fantasy men committed to pleasure and male camaraderie. With multi-panel comics and single-panel drawings and paintings, as well as personal photographs, sketches, and reference images, The Little Book of Tom: Military Men celebrates the artist's most iconic vision of...

Tuoko Laaksonen, also known as Tom of Finland (1920-1991), was an iconic and provocative artist who rose to cult status in the international gay community and beyond for his work celebrating gay archetypes and masculinity during a time when being gay was taboo. Created in partnership with the Tom of Finland Estate, Tom of Finland: The Official Life and Work of a Gay Hero is a beautifully detailed visual biography full of never or rarely seen documents from his archive. The text was completed just a few months before the death of the artist and was fully approved by him—making this book the only 100% approved biography of this gay legend responsible for creating the muscled, mustachioed gay archetype of the 1960s and 70s. With an extensive biography, and suggestive photos and illustrations, Tom of Finland: The Official Life and Work of a Gay Hero brings to life the icon whose erotic illustrations of men influenced many artists, including Robert Mapplethorpe and Bruce Weber.

Brawny hunks boasting larger-than-life muscles and skin-tight leather pants... Croches engorged and nearly ripping apart seams. Men upon men upon men cavorting and indulging nearly every possible fantasy... Tom's men are so hot they're off the Richter scale. Until TASCHEN published the retrospective volume on this master illustrator's work, his drawings had been relegated to the walls of gay bars and adult shops. Our first publication of this book helped Tom's influence as an artist extend far beyond the gay scene. Now this masterwork is finally being made available again, in a more compact format, for any and all to enjoy.

Tom's fellas can be yours for the price of a cocktail The Comic Collection is the most affordable compilation of Tom of Finland's popular panel stories. This volume features 14 stories, including the first completed by Tom in 1946, and the last, done in 1986. Along the way we meet Jack in the Jungle, Beach Boys, Greasy Rider, Ringo & the Renegades, and Tom's most infamous creation, Kake, the ultimate leatherman. The stories are arranged chronologically in a book sized to fit perfectly in one hand, wrapped in our new Panic Jacket that allows the book to be read any place, any time, by simply removing and reversing the cover to give the appearance of a serious scholarly tome. For boys who like boys who like art—but are sometimes embarrassed to enjoy their art in public—this attractive package is not to be missed. Durk Dehner is Tom's archivist and provided the original art for these volumes. He was born in Alberta, Canada, where he studied art before moving to the United States in the mid-70s. Dehner was instrumental in bringing Tom out of the underground and in focusing public attention on his work. The two co-founded the Tom of Finland Foundation in 1984, and Dehner continues as head of the Foundation, headquartered in Los Angeles, California.

Edward Lucie-Smith's examination of sexuality in Western art from prehistory to the present first treats the tradition chronologically, then considers its characteristic themes and symbols.
