Understanding Comics The

Understanding Comics – The Invisible Art is quintessential reading for those who appreciate comic books as a legitimate art form. It explores, with great authority, the method underlying the form of combining words and pictures in sequential art storytelling. So what does all that mean to folks who don't fall under the Art Nerd category?

Understanding Comics: The Invisible Art

Understanding Comics: The Invisible Art is a 1993 non-fiction work of comics by American cartoonist Scott McCloud. It explores formal aspects of comics, the historical development of the medium, its fundamental vocabulary, and various ways in which these elements have been used.
