potentials and a few simple steps that you have to follow to be successful in life. I'm definitely not going to say that if you follow everything in this book you will be the next Bill Gates, but just that this book will definitely help you to a great extent and will definitely help you to achieve whatever you want to in your life. This book consists of chapters based on harnessing the hidden potentials of your brain and how to be successful in life. The first two chapters are about the ways to harness your hidden potential, improving the productivity of your brain and mind mapping. The next three chapters are about personal development, easy steps to create lasting changes and how to achieve your goals. Simple and easy steps to do what the title suggests follow in the respective chapters. Everything that is suggested by me is very simple and not at all complicated. You will definitely come to know about it when you read the book. So I guess it's time to jump into this book and have a great swim and come out of it with an awesome experience. Thank You.

Poems by Pamela Johnson Parker; winner of the 2009 qartsiluni chapbook contest.

We have all asked the questions, "Who Am I?", "Where Am I?", and "What Am I?". In MADE FOR MORE- A Journey of Purpose and Discovery, the reader will maneuver through these questions in order to understand the larger picture for their life. The ultimate goal is to lead the reader to understand they are made for a great purpose through Jesus. Through
