Some things about babies, happily, will never change. They still arrive warm, cuddly, soft, and smelling impossibly sweet. But how moms and dads care for their brand-new bundles of baby joy has changed—and now, so has the new-baby bible. Announcing the completely revised third edition of What to Expect the First Year. With over 10.5 million copies in print, First Year is the world’s best-selling, best-loved guide to the instructions that babies don’t come with, but should. And now, it’s better than ever. Every parent’s must-have/go-to is completely updated. Keeping the trademark month-by-month format that allows parents to take the potentially overwhelming first year one step at a time, First Year is easier-to-read, faster-to-flip-through, and new-family-friendlier than ever—packed with even more practical tips, realistic advice, and relatable, accessible information than before. Illustrations are new, too. Among the changes: Baby care fundamentals—crib and sleep safety, feeding, vitamin supplements—are revised to reflect the most recent guidelines. Breastfeeding gets more coverage, too, from getting started to keeping it going. Hot-button topics and trends are tackled: attachment parenting, sleep training, early potty learning (elimination communication), baby-led weaning, and green parenting (from cloth diapers to non-toxic furniture). An all-new chapter on buying for baby helps parents navigate through today’s dizzying gamut of baby products, nursery items, and gear. Also new: tips on preparing homemade baby food, the latest recommendations on starting solids, research on the impact of screen time (TVs, tablets, apps, computers), and “For Parents” boxes that focus on mom’s and dad’s needs. Throughout, topics are organized more intuitively than ever, for the best user experience possible.

Describes each stage of child development, answers questions about child care, and includes information on common childhood ailments.

America's bestselling guide to caring for a baby, with over 10 million copies in print, What to Expect the First Year is the bible for taking care of a newborn though the milestone of his or her first birthday. The Second Edition incorporates the most recent developments in pediatric medicine. Every question and answer has been revisited, and in response to letters from readers, dozens of new Q&As have been added. The book is more reader-friendly than ever, with updated cultural references, and the new material brings more in-depth coverage to issues such as newborn screening, home births and the resulting at-home newborn care, vitamins and vaccines, milk allergies, causes of colic, sleep problems, SIDS, returning to work, dealing with siblings, weaning, sippy cups, the expanded role of the father, and much more. An updated cover and all-new black-and-white line illustrations complement the fresher book with a fresher look.

With over 7 million copies sold worldwide, WHAT TO EXPECT THE 1st YEAR is one of the world's bestselling books on infant care - and it has now been updated and revised throughout by Heidi Murkoff. This comprehensive and practical month-by-month guide clearly explains everything parents need to know - or might be worrying about - in the first year with a new baby. The book covers monthly growth and development, feeding for every age and stage, and sleep strategies that really work. It is filled with the most practical tips (how to give a bath, decode your baby's crying, what to buy for baby, and when to return to work) and the most up-to-date medical advice (the latest on vaccines, vitamins, illnesses, SIDS, safety, and more). Featuring dozens of Q&A sections, as well as a first-aid guide and charts on monthly growth and development, feeding and sleeping habits, this is the only book on infant care to address both the physical and the emotional needs of the whole family. Covering the most up-to-date knowledge, both medical and developmental, WHAT TO EXPECT THE 1st YEAR is, above all, down-to-earth and reassuring - and an invaluable aid for all parents of new babies.

With over 11 million copies in print, What to Expect: The First Year, now in a completely revised third edition, is the world’s best-selling, best-loved guide to the instructions that babies don't come with, but should. And now, it’s better than ever. Every parent’s must-have/go-to is completely updated. Keeping the trademark month-by-month format that allows parents to take the potentially overwhelming first year one step at a time, First Year is easier-to-read, faster-to-flip-through, and new-family-friendlier than ever—packed with even more practical tips, realistic advice, and relatable, accessible information than before. Illustrations are new, too. Among the changes: Baby care fundamentals—crib and sleep safety, feeding, vitamin supplements—are revised to reflect the most recent guidelines. Breastfeeding gets more coverage, too, from getting started to keeping it going. Hot-button topics and trends are tackled: attachment parenting, sleep training, early potty learning (elimination communication), baby-led weaning, and green parenting (from cloth diapers to non-toxic furniture). An all-new chapter on buying for baby helps parents navigate through today’s dizzying gamut of baby products, nursery items, and gear. Throughout, topics are organized more intuitively than ever, for the best user experience possible.

The international super-successful What to Expectbrand has delivered again - announcing the arrival of a brand-new member of family: What to Expect the Second Year. This essential sequel to What to Expect the First Year picks up the action at baby's first birthday, and takes parents through what can only be called 'the wonder year' - 12 jam-packed (and jam-smeared) months of memorable milestones (from first steps to first words, first scribbles to first friends), lightning-speed learning, endless explorations driven by insatiable curiosity. Not to mention a year of challenges, both for toddlers and the parents who love them, but don't always love their behaviour (picky eating, negativity, separation anxiety, bedtime battles, biting, and tantrums). Comprehensive, reassuring, empathetic, realistic and practical, What to Expect the Second Yearis filled with solutions, strategies, and plenty of parental pep talks. It helps parents decode the fascinating, complicated, sometimes maddening, always adorable little person last year's baby has become. From the first birthday to the second, this must-have book covers everything parents need to know in an easy-to-access, topic-by-topic format, with chapters on growth, feeding, sleeping, behaviours of every conceivable kind, discipline (including teaching right from wrong), and keeping a toddler healthy and safe as he or she takes on the world. There's a developmental time line of the second year plus special 'milestone' boxes throughout that help parents keep track of their toddler's development. Thinking of travelling with tot in tow? There's a chapter for that, too.

Everything new parents need to know about the care and feeding of an infant, from the authors of What to Expect When You're Expecting. The book covers monthly growth and development, feeding for every age and stage, and sleep strategies that really work.

The world's best-selling, best-loved month-by-month guide for parents, comprehensively adapted for Australian readers. At last, the instructions that babies don't come with, but that every new parent needs! This best-loved baby guide - and follow-up to What to Expect When You're Expecting - offers everything you want to know about the care (and feeding) of your infant. What to Expect the First Year covers monthly growth and development, feeding for every age and stage, sleep strategies that really work, and the very best ways to stimulate your baby (and have fun at the same time!). Filled with the most practical tips (how to pump up your milk supply, give a bath, make your own baby food, cope with colic), and the most up-to-date medical advice (car seats, safety around the house, vaccines, vitamins, common illnesses, preventing SIDS), this bestselling guide is a must-have for new parents. With over 10.5 million copies in print, What to Expect the First Year is the world's most popular baby guide. 'Packed with helpful information for all parents, What to Expect the First Year is an invaluable companion to parents as they navigate the first 12 months of their child's life.'Dr Jonny Taitz, MBChB, FRACP, FCP(SA), FAAQHC, AFRACMA, Consultant Paediatrician
