With over twenty percent more material, a must for any lover of distinctive words. This entertaining and informative reference features sophisticated and surprising alternatives to common words together with no-fail guides to usage. Meltzer puts each word—whether it's protreptic, apostrophize, iracund, or emulous—in context by using examples from a broad range of contemporary books, periodicals, and newspapers. His new introduction makes the case for why we should widen our vocabulary and use the one right word. This groundbreaking thesaurus remains a unique venture, one that enriches your writing while helping you find the perfect word.

At thirty-two, Marine Vandale is still waiting for true love. The kind of love that takes your breath away, knocks you on the ground, and makes you scared and crazy all at once. "You're certainly not going to find it if you spend all your time with three guys," her mother likes to remind her. It's just that Marine, her ex Laurent, Jeff her roommate, and their best friend Julien are inseparable. Together, they're trying to navigate the troubled waters of their thirties, become real adults and tame love. But what used to seem like child's play is becoming less and less of a game, and today's mistakes are not as meaningless as the ones they made in their twenties. But each one in his or her own way continues to hope. And from date to date, from man to man, through a thousand situations she describes as "summer stock theatre," Marine persists in believing that one day she'll prove to her mother, that you can't fight love.

all who knew him. Looking into the past, we see Jack top of the world, but there are dark tidings as Jack's seemingly perfect life is not quite as wonderful as it appears. Thirty-three years old and submerged in the partying lifestyle of a local celebrity, Jack hatches a scheme to fix the very lottery drawing he hosts on television every night. Back in today's world, Jack solely in order to get close to a young woman cynically joins Earthpeace, a group of environmental activists opposing an airport expansion guided by the long-sitting Senator Shea to the doorstep of the powerless working-class city of Norton. Entirely insincere in all he does and on the cusp of regaining all he'd lost, Jack finds himself at an unexpected crossroad. Triple Six Fix is the dramatic telling with foreshadow and flashback of the rise, fall and ultimate fate of Jack Webster, a beloved local celebrity who crashes from great heights and who schemes again to regain what he'd lost.
