Apathy stands in way of youth's political participation ...

Politics is typically regarded as a space for politically experienced men, and while women are often disadvantaged in accumulating experience to run for office, young people are systematically marginalized because of their young age, limited opportunities, and projected lack of experience. As the increased political participation of women benefits society as a whole, the presence of young

groups to large urban projects. The common goal that we all share is better outcomes for young people.

Youth Participation | Youth Scotland
"Contrary to common belief, youth are actually very in-volved in politics," Shteiwil said. According to a survey by the centre, youth organise and participate in protests, distribute flyers during parliamentary elections, express their thoughts on social media, and volunteer – all without being "formally" enrolled in a political party.
